

MOVING FORWARD

The **Moving Forward Program** solicits household items to provide the survivors of domestic violence and sexual assault with many of the things they need as they are ‘moving forward’ from the Shelter to a home of their own.

The **Moving Forward Program** at Center for Safety & Change is available to any survivor receiving services from the Center. Traditionally, as survivors prepare to transition from living at the Shelter to living on their own, their advocate asks them to draw up a “wish list” indicating furnishings and other items they need to set up their own household.

The program has proven to be extremely beneficial to survivors not only for providing them with some of their material needs, but also because it greatly reduces the overwhelming stress they encounter as they plan to continue to survive and regain a sense of normalcy in their lives.

If you wish to support the **Moving Forward Program** by making a donation or volunteering, please call the Center at (845) 634-3391. The standard list of household items survivors need can be found on the reverse side of this flyer. You will be provided with a letter of thanks which can be used for tax purposes upon your donation of goods.

**On behalf of the victims and survivors, thank you
for your consideration and support.**
